

# THE ELEN LEADERSHIP TEAM

Keith Thompson  
"Ace Angler"

When fishing does not interfere with work, Keith mentors his ACE students & maintains production schedules to be sure the firm meets time delivery commitments.

Dmitriy Nathanson, PE, RCDD  
"The Gardener"

Retired KGB Electrical Field Analyst, Dmitriy maintains his aliases & various disguises while enjoying growing tomatoes, peppers & ELEN in the warm San Diego climate.

CALIFORNIA • ARIZONA • NORTH CAROLINA

ELECTRICAL ENGINEERING • LIGHTING DESIGN • COMMUNICATION DISTRIBUTION

Tim Baliles, PE, PMP, LEED AP  
"Doctor"

A former Oriental Medicine student & now our Chief Engineer, Tim diagnoses the health of our design methods & treats any symptoms he finds. Stick out your tongue & say "Ahh"!

Tim Locklear  
"Coach"

In addition to his Little League coaching duties, Tim coaches our designers with innovative design methods & maintains ELEN standards to ensure consistency & accuracy on all projects.

Cory P. Murphy, PE  
"Jedi Android Programmer"

When not using the "force" to create Android Apps, Cory uses his working knowledge of the NEC & electrical theory to produce quality engineering projects.
